CAREER OBJECTIVE

I aim to build a successful career in software development by using my skills and creativity to develop user-friendly, efficient solutions. I have a strong interest in the MERN stack and see it as a valuable platform for long-term growth. My goal is to gain hands-on experience through real-world projects and continuously improve my expertise in full-stack development and emerging technologies.

EDUCATION QUALIFICATION

BSC (Hons) Computing   **Sep 2023— Present**
Itahari International College
London Metropolitan University
Sundarharicha 04, Morang

Higher Secondary School (NEB)   **2019 - 2021**
